

# THE DANCE DAILY

7th of August 2009

## General News

The dance troupe has been working and practising hard. Thank you to everyone who is giving up some of their lunch or recess to fine tune their part. I appreciate your time and effort.

A special thank you to Miss. Judge who has volunteered to assist with infant routine. Thank you, Thank you, Thank you. Your time and patience are appreciated.

## Pom Poms

To the cheerleaders only,

Please bring a plastic bag with your name on it on Monday to place your sweaty pom poms in.

*Good idea, girls.*

You are all doing a fantastic job and have integrated them nicely.

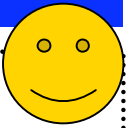

## Audition Day What to Wear?

For the dance auditions, members are asked to wear their Truscott Street sport's uniform. This means the blue Truscott Street shorts with a clean white Truscott Street polo.

Please have your hair tied back in a nice high ponytail if possible with shorter pieces pinned or sprayed back. You may add a blue or white ribbon if you like. Remember to also wear your smile.

Sam, Scott, Alex, Patrick and Andy please have your hair looking brushed and nice. Maybe spiked up if possible.

Well done to our two ribbon girls who have persevered with the rhythmic ribbons. Your routine is looking great. Keep practising your timing together. The start is going to be fantastic.

Remember to log on anytime to our school website news and events page to view this newsletter.
